### RULES

Priority for off-street parking permits will be given to residents who live on Wapato Avenue where overnight parking is not permitted pursuant to WMC 10.12.030, and then to residents within a one-block radius of the parking facility.

Permits shall not be provided for temporary residents, guests, or visitors. Only residents with valid addresses of residence and proof of residency shall be allowed to apply for and receive a parking permit.

A permit may cover more than one car owned by the resident, but only one resident's car may use the permit and parking facility at any one time.

Starting in 2014, permits will be available on a yearly basis with full payment for the year, \$240.00, due prior to issuance of a permit.

Hang tags and/or decals must be clearly displayed in or on the vehicle, expiration date facing outwards, at all times the vehicle is parked in the off-street parking facility, as dictated by the parking hang tag or decal, or otherwise.

Each vehicle parked at the parking facility must display a hang tag and/or decal. If a vehicle does not display a hang tag and/or decal pursuant to this section, the vehicle may be ticketed and/or towed from the parking facility.

Violation of this code section shall result in a parking infraction under WMC 10.12.080. It shall not be a defense that the hang tag was not present at the time of the infraction.
